PEERLESS' NEW 2007 CATALOG SHOWCASES THE MOST COMPREHENSIVE SELECTION OF MOUNTING SOLUTIONS

--The New 2007 Catalog Makes it Easy to Find the Ideal Mounting Solution With its New Layout, Icon-Based Navigation and Extremely Detailed Product Information --

CHICAGO, IL – June 19, 2007 – A comprehensive collection of mounts from Peerless Industries, Inc., the industry leader in professional-grade audio/visual mounting solutions, is being showcased in its newly redesigned, intuitive and informative 2007 Product Catalog.

Peerless' 2007 Product Catalog has a refreshing new look and features Peerless' most up-to-date product selection. Its new features include an easy-to-navigate mount index, complete product guide with detailed mount drawings and specifications, and an easy-to-use icon based accessory navigation selection tool. With the 2007 Product Catalog, Peerless is making it easy to select the best mounting solution, including mounts for flat panel TVs, projectors, DLP/CRT TVs, speakers and A/V equipment, for any project. This catalog is a great source of information for dealers, distributors, installers, architects and end users.

What's New?

- Over 15 new products
- Easy-to-navigate mount index
- Detailed mount drawings with specifications
- Pull-out quick reference flat panel mount chart
- Easy to use icon based accessory section
