PEERLESS' ADJUSTABLE PROJECTOR MOUNT SERIES MAXIMIZES INSTALLATION FLEXIBILITY

-Visit Booth #N5115 at InfoComm 2008 To See Versatile Out-Of-The Box Projector Mounting Solutions-

CHICAGO, IL -InfoComm 2008- Providing a versatile out-of-the-box solution is Peerless'

Adjustable Projector Mount Series that enables a projector to be installed on either a ceiling or a wall, maximizing installation options and bringing the ultimate level of flexibility. This series will be shown in Peerless' booth N5115 at InfoComm 2008 in Las Vegas, Nevada, June 18-20th.

Maximum Mounting Options Enable Seamless Integration Into Any Environment

Maximize mounting options by placing a projector on either a ceiling or a wall using Peerless' out-of-the-box, all-in-one solution Adjustable Projector Mount Series. Supporting projectors up to 50 lbs, virtually any projector on the market is accommodated. Thanks to the adjustable extension column, the mounted projector extends from 12.75 inches all the way to 37.8 inches from the wall or ceiling to ensure accurate positioning of the projector and deliver dead-on alignment necessary to achieve a perfectly placed image.

Internal Cable Management And Safety Features Safeguard The Mounted Projector

Prevent unwanted tampering with the projector and its cables and cords by running them inside the column of the mount creating a tamper-resistant installation with a clean, finished appearance. These projector mounts come equipped with safety fasteners that ensure a theft-resistant installation making them ideal for settings such as education, corporate and entertainment facilities, as well as home theater applications.

Pricing And Availability

Peerless' Adjustable Projector Mount Series is now available and range in price from \$179-\$219.

These kits will be shown in Peerless' booth N5115 at InfoComm 2008 from June 18-20th.

About Peerless Industries, Inc.

Peerless has designed and manufactured the most comprehensive line of audio/visual mounting solutions for over 40 years.
