**NEW FLAT PANEL TV STANDS FROM PEERLESS INDUSTRIES  
CENTRALIZE AUDIO-VIDEO COMPONENT PLACEMENT AND PROVIDE A  
CLUTTER-FREE ENVIRONMENT FOR FLAT PANEL SCREENS**

**CHICAGO, IL –September 14, 2006** – Peerless Industries, Inc., the industry leader in professional-grade audio/visual mounting solutions, today introduced its new line of Flat Panel TV Stands (FST models) for LCD and plasma screens ranging in size from 32 inches to 50 inches and holding up to 150 pounds. The TV stands are designed to enable ideal screen viewing position, centralize audio/video component and accessory placement and match the décor of its environment. The new Flat Panel TV Stands will be shown for the first time in the Peerless booth, number 623, at CEDIA 2006 in Denver, September 14-17.

**Elegant Aesthetics, Centralized A/V Equipment and Easy Cable Management**

Peerless' Flat Panel TV Stands can be positioned in a corner or against the wall offering unlimited placement opportunities. The two symmetric glass shelves are designed to hold up to 50 pounds on each shelf, centralize A/V components and allow space for accessory storage. An internal cable management system hides all A/V cabling, providing a clean, clutter-free look. The new TV stands are available in silver with clear glass shelves or in black with clear or tinted glass shelves to complement any décor.

**Installation, Safety and TV Viewing Options**

Installing an LCD or a plasma screen on the Flat Panel TV Stand is easy. Simply attach the mounting brackets to the screen and hang it on the mounting plate -- just like a picture frame. Then, secure the

screen to the TV stand by tightening the safety screw to prevent the screen from accidental movement. Multiple viewing angles for ideal screen position are easily achieved with features that include vertical screen adjustment and incremental tilt of -2 degrees, 0 degrees, and +5 degrees.

### **Availability and Pricing**

Peerless' new Flat Panel TV Stands will be available in November 2006 in black or silver with clear glass shelves at a list price of \$529.00 and in black with smoke glass shelves at a list price of \$569.00.
