**PEERLESS INDUSTRIES LAUNCHES ONEMOUNT™
MODULAR MOUNT INFORMATION PORTAL**

-- www.peerlessonemount.com --

CHICAGO, IL –November 20, 2006 – Peerless Industries, Inc., the industry leader in professional-grade audio/visual mounting solutions, today launched www.peerlessonemount.com, an interactive web portal that delivers one source of information about the new OneMount™ Modular Wall Mount that accommodates 23-inch to 84-inch flat panel screens.

The OneMount Modular Mount information portal, www.peerlessonemount.com, offers access to downloadable information such as brochure, installation guide, product specifications, technical data and ordering information enabling easy access to all necessary product information.

The dedicated portal also displays the OneMount Modular Mount, pinpointing each feature in an easy to see red rollover beacon. Each beacon expands to show the specific feature details and benefits. The portal makes it simple to see how the Modular Mount easily accommodates 23 inch to 84 inch flat panel screens in portrait or landscape orientation, decreases installation time and saves inventory space.

Visit www.peerlessonemount.com to learn more about Peerless' new OneMount Modular Wall Mount today.

About Peerless Industries, Inc.

Peerless has designed and manufactured the most comprehensive line of audio/visual mounting solutions for over 40 years. Today, Peerless designs and manufactures mounts for current and emerging visual display technologies, including LCD and plasma flat panel displays, projectors, CRT televisions and other electronic equipment used in the commercial and consumer markets. Built on decades of experience and proven expertise, Peerless Industries is ISO 9001 certified and is an

approved Underwriters Laboratories testing site. For more information, visit
