**NEW INTUITIVE WEBSITE PROVIDES TECHNICAL RESOURCES FOR
INTEGRATORS, ARCHITECTS AND DESIGNERS AS WELL AS NOVICE MOUNT
BUYERS**

--www.peerlessmounts.com--

CHICAGO, IL –Peerless Industries, Inc., the industry leader in professional-grade audio/visual mounting solution delivers a comprehensive online resource for installers, architects, designers and the hands-on do-it-yourselfers. The newly redesigned website puts information in visitor’s hands.

Simple one-click navigation on the homepage gives visitors access to the Product Spotlight section, Product Center, Customer Center and Peerless News.

Product Spotlight - provides information and specifications on the latest mounting solutions available enabling visitors to keep up to date on the newest mounting options.

Product Center - is a comprehensive information source offering one-click navigation to:

- Technical Information - Instructions, Tech Data, Drawings, Images, and Descriptions
- Product Interface Lists
- Product Catalog and Brochures
- Certifications and Associations
- Peerless Custom Solutions
- FAQ and Mount Buying Guides
- Explanation of Mounting Patterns
- Request Product and Spec Information

Customer Center – delivers support information with ease, featuring customer care contacts, customer feedback, dealer information, product support, an Installers’ Corner and more. In addition, it provides access to an online, real-time, one-on-one customer care through Peerless’ Live Support feature.

Peerless News - enables visitors to keep up to date on latest company announcements, product releases and trade show information.
