**PEERLESS' SMARTMOUNT® WALL FURNITURE BRINGS TOGETHER
STYLE AND FUNCTION FOR MOUNTED A/V COMPONENTS**

CHICAGO, IL- December 8, 2008 -- Peerless Industries, Inc., the industry leader in professional-grade audio/visual mounting solutions today announced the availability of its new expandable and elegant SmartMount® Wall Furniture. The new furniture is the only wall furniture on the market that allows seamless installation of additional shelving while offering perfect centering underneath the mounted flat panel screen, making it a smart choice now and for the future.

Single-Stud and Double-Stud Models Deliver Center Component Placement

Peerless' SmartMount® Wall Furniture is available in both single and double-stud models enabling the shelving units to be centered underneath the mounted flat panel screen. With a per shelf load capacity of 80 lb, these shelving units support even the heaviest of components. This new series of shelving units comes in a one or two-shelf configuration with the option to add extra shelves creating a personalized solution that is elegant and expandable.

Sleek Appearance Enhanced With Internal Cable Management

The elegant design of Peerless' SmartMount® Wall Furniture sleek lines, high gloss color and tinted glass shelving complements any environment. Its built-in cable and power strip housing, which holds a 4 or 6-plug power strip, conceals cables from view and centralizes components under the mounted TV for an ultra-clean, picture perfect installation.

Pricing and Availability

The new SmartMount® Wall Furniture is now available in high gloss black. Prices range from \$159 to \$349 depending on the model. To find out more about Peerless' professional grade mounting solutions, visit www.peerlessmounts.com.

About Peerless Industries, Inc.
