**PEERLESS' SMARTMOUNT® COMPONENT SHELF SERIES BRINGS TOGETHER
STYLE AND FUNCTION FOR MOUNTED A/V COMPONENTS**

*-Visit Booth # N5115 at InfoComm 2008 for a Comprehensive Selection of Wall Mounted
A/V Shelving Units-*

CHICAGO, IL-InfoComm 2008- Add the finishing touch to any installation with Peerless' SmartMount® Component Shelf Series that installs dead-center underneath the mounted flat panel screen while supporting up to 80 lb of A/V equipment per shelf. Peerless' SmartMount Component Shelf Series will be shown in booth N5115 at InfoComm 2008 in Las Vegas, Nevada June 18-20, 2008.

Single-Stud and Double-Stud Models Deliver Dead-Center Component Placement

Peerless' SmartMount® Component Shelf Series is available in both single and double-stud models enabling the shelving units to be positioned dead-center underneath the mounted flat panel screen. With the largest per shelf load capacity of 80 lb, these shelving units support even the heaviest of components. This new series of shelving units comes in a one or two shelf configuration with the option to add extra shelves creating a personalized solution that is stylish, safe and out-of-the-way.

Sleek Appearance Enhanced With Internal Cable Management

The clean lines of Peerless' SmartMount® Component Shelf Series compliments any environment with its built-in cable and power strip housing that conceals and centralizes cables, cords and up to a six outlet power strip from view for an ultra-clean, picture perfect installation. The sleek lines of these units are enhanced by the glass shelves that blend into any environment and enable A/V components to be neatly placed dead-center beneath the mounted flat panel screen.

Pricing and Availability

The new SmartMount® Component Shelf Series are now available in high gloss black. Price ranges from \$189 to \$399 depending on model. The new shelving series will be shown at the Peerless booth

N5115 at InfoComm 2008 in Las Vegas, Nevada June 18-20, 2008. For more information about Peerless' professional grade mounting solutions, visit www.peerlessmounts.com.
