WORLD'S SLIMMEST FLAT PANEL MOUNTING SOLUTIONS

Peerless' Universal Ultra Slim Mount Line* is the undisputed thinnest universal flat panel wall mount line in the world. No other line offers flat, tilt and articulating functionality, and no other mount line brings a flat panel screen closer to the wall.

These Universal Ultra Slim Mounting Solutions have been specifically developed to complement the very latest ultra-thin flat panel screens. Trends indicate screens will get even thinner in the future. Peerless' Universal Ultra Slim Mounts maximize this reduction in depth and retain the aesthetics of ultra-thin flat panels by positioning the screen as close to the wall as possible while still providing the desired flat panel functionality.

Enjoy an installation experience that is truly first class. Peerless' Universal Ultra Slim Mounts offer exclusive patented installation features for an easy, secure mount installation for ultra-thin flat panel support in just minutes.

Make the most out of any ultra-thin flat panel with the most discreet and easy to install mounting solutions ever developed, the world's thinnest Universal Ultra Slim Mounting Solutions. Only from Peerless.

* Designed exclusively for use with only ultra-thin TVs 2" (51 mm) deep or less
