

SmartMount® Wall Furniture

COMING SOON!

SmartMount® Wall Furniture modular wall units enable the installation of additional shelves to expand with today's home entertainment and commercial audio-visual systems. The sleek single or dual-shelf units align perfectly centered under a double-stud wall-mounted flat panel screen. The tinted glass shelf supports the heaviest of components, up to 80 lb. Both models feature a concealed cable management/storage area with room for up to a 6-plug surge protector. With its high gloss black finish, these units are designed to complement today's flat panel screens and give a seamless look to the installation.

SmartMount[®] Wall Furniture

Model Numbers

SCS222: Double-Stud Dual Component Shelf System
SCS221: Double-Stud Component Shelf

Product Specifications

FEATURES

- Double-stud shelf spans two wood studs on 16" centers to centralize A/V components under mounted TV
- Modular design enables additional shelves to be added
- Built-in compartment conveniently holds a 6-plug surge protector (up to 11") to safeguard components
- Decorative snap-on covers conceal wall plate and all mounting hardware
- Integrated cable management provides clean appearance
- 80 lb capacity shelves support virtually all components and accessories
