

SmartMount® Wall Furniture

COMING SOON!

SmartMount® Wall Furniture modular wall units enable the installation of additional shelves to expand with today's home entertainment and commercial audio-visual systems. The sleek single or dual-shelf units align perfectly centered under a single-stud wall-mounted flat panel screen. The tinted glass shelf supports the heaviest of components, up to 80 lb. Both models feature a concealed cable management/storage area with room for up to a 4-plug surge protector. Versatile enough to blend in with any contemporary décor, SmartMount® Wall Furniture will keep the A/V environment stylish, functional and clutter-free.
