SmartMount® Universal Tilt Wall Mount for 10" to 24" Flat Panel Screens

Installations are made quick and easy with this VESA® compliant mount. Its preassembled design is fast and easy to install. Simply attach the wall plate to the wall, attach the adapter plate to the screen and hang the screen onto the wall plate. Its continuous one-touch tilt mechanism helps guide the screen to the ideal viewing angle with just the touch - no tools required.

Screen size: 10"-24"

Max load: 80lb (36kg)

FEATURES

- VESA® 75 and 100mm compliant
- Additional screen adapter plates also available
- One-touch tilt allows adjustment of +15/-5° without the use of tools
- Screen adapter plate simply hooks onto the wall plate for quick and easy installation
- Includes hardware for installation to wood stud, concrete, cinder block and metal stud (metal stud accessory required)
- UL listed

Low-profile design holds screen only 1.58" (40mm) from the wall
